

Tuition Payments

Tuition is due the first day of each month.

Tuition may be paid at www.rpcpreschool.com where there is also an option for a recurring monthly payment. If possible, we ask families to contribute the 2.75% processing fees.

Tuition may be paid with a check which should be placed in the brown box outside the church office door.

In April, families will receive a reminder to discontinue auto payments (if applicable) and a final balance for May. Deposits are applied to May tuition. This reminder will come from rpctreasurer@rpcusa.org.

PRC Preschool has Tuition Assistance Program (TAP) that provides scholarships to families who may not otherwise be able to afford preschool. Donations to, and scholarships from, the TAP fund are confidential. Contributions may be made online or through a check in the same manner as tuition payments. Requests for TAP funds may be made through an application found outside the church office or by contacting the director.
