It's Health Week! On Tuesday, we have Nurse Connie coming to teach about the inside parts of the body and on Friday, Dr. Orland coming to teach about teeth.

Dude's Night Thursday, March 2

Dads, or other treasured men we're lucky to have, are invited from 6:00-7:00 pm to experience a micro look at a day in the life of a preschooler. We hope all children can bring a special someone!

Tuesday is Picture Day!

Still desired is a parent or other adult to help with the flow of the kiddos to assure everyone has time for photos before 11am. The volunteer receives a \$50 gift card for photos.
