

What a Week! News of October 20

A look back...

This week Dr. Sally, RPC's Minister of Music, taught us about percussion instruments and how to follow a director. STEAM Team went on a nature hunt and a walk to the library. National Pasta Day was celebrated with noodle necklaces. And of course we read, painted, played, sang and danced!

A look ahead....

The theme is Pumpkins! Just you wait for the giant ones we are making to come home! Also pumpkin printmaking, decorating pumpkins, and STEAM Team will walk to a pumpkin patch in town. Several guest readers are coming this week too! Contact rpcpreschool@rpcusa.org if you (or another family member or friend) would like to read during snack time (9:40 - 10:20). Our goal is that every student has a special guest this year.

SATURDAY, DECEMBER 3
8:30 - 11:30 SEATINGS
