

What a Week!

News of September 15

A look back...

This week we talked all about feelings and how to share them.

The Riverside Library sent Miss Jessica for story time.

STEAM focused on the letter B - bridges and bubbles were a big hit!

A look ahead....

Local author and illustrator Janan Cain (who is also a former preschool parent) will read her book The Way I Feel on Monday.

Hinsdale Humane Society will come monthly beginning this Tuesday.

Wednesday STEAM Team walks to the library. When we are there we will have a picture walk. Kids look through books, choose a meaningful picture, and then we read that page to the whole class. We will be back in the building for 1:00 pm pick up.
