## Activities

### Theme: Valentine's Day and Kindness

*Last week we made Valentine's Bags, made a wicky wacky friend craft, played Twister bean bag color toss, and had a mixed up crazy Wicky Wacky Wednesday.*

*This week we will be making a Valentine, a warm fuzzy, and playing with catapults! We'll play balloon volleyball and say a word that begins with 'v' when we hit the balloon.*

*This week's Word Wall words are: or, and, is.*

### Language Arts

We will work on the letter 'V,' listen for words that begin with the letter 'V,' and continue with name recognition.

### Math

We will be estimating, graphing and counting.

### Science

Catapults!

### Home Connection

*How can you adjust the take-home catapult to make it fling something farther? Which goes farther: a feather or a wad of paper?*
