Activities

Theme: Transportation

Last week we began our work on Mom portraits and continued working on Mom songs for Mom's Night. We catapulted plastic eggs, measured the distance and graphed it. Mrs. Kanatas's rabbit, Marshmallow, visited.

This week we will be learning about different forms of transportation, painting an intersection with a car, continuing work on our Mom portraits, and the Riverside Library will come read to us. For science we will compare and contrast ramp speeds with various toy cars by measuring the distance the cars travel.
