

RIVERSIDE PRESBYTERIAN PRESCHOOL

*Snack: Nolan

*Show and Tell: Thursday - Colton and Nolan

*Parent Readers: Wednesday - Valerie J. Please arrive at 9:40 am and bring 3 or 4 books.

*Welcome to **Clark Bartholomew** and his family who will be joining our 3s class this week!

*Wednesday is Wicky Wacky Wednesday when we dress silly and things in the Preschool are mixed up. Not all students are comfortable dressing crazy and that's okay. Some children wear their shirt backwards or wear two different socks. Some kids wear their pjs and some kids really dress wacky with underwear over their pants or on their head, different shoes or silly hats. It's meant to be fun.

***Parent/Teacher Conferences** will be this **Thursday, 1/30** in your child's classroom. It will be a **non-attendance day** for the children both the morning and enrichment programs.

***Registration** for next year has begun for current students. We hope all students eligible will be returning! Registration for new students will begin the first of February so please register so we know how many open spots we have. Thanks!

*For Valentine's Day, please bring a Valentine for each student with **only** the **giver's name** on it. It takes a long time to distribute the Valentines and too long if the Valentine has the recipient's name on it!

Language Arts

We will be working on the symbol and sounds for the letter P.

Math

We will be counting, working on number recognition and one-to one correspondence.

Science

No science this week.

Home Connection

Talk with your child about how proud you are of them and how well they are doing in Preschool 😊

Activities

Theme: Letter P and Wicky Wacky Wednesday

Last week we celebrated 50 days of Preschool by decorating a placemat for snack to use when we had 10 pieces of 5 different types of snack, we had a 50 Days of Preschool parade, and built with 50 blocks.

This week we will be learning about the letter P, making a pasta craft, and celebrating Wicky Wacky Wednesday.

Enrichment: *This week will learn about hibernating hedgehogs and show what we have learned about hibernation. No Enrichment on Thursday due to Parent/Teacher Conferences.*
