

# What a Week!

## News of October 22

**This week we learned all about pumpkins!**

**Next week's theme is HALLOWEEN plus the letter H and number 8. STEAM team will focus on homes. They're different around the world. They will build homes too!**

### **Halloween at RPC**

We will be answering the door on the Scottswood side of the building from 3:00 - 6:00 pm with chili, mac-n-cheese, cornbread and toy treats.

If you'd like to bring us a treat, we're collecting canned goods for the Little Food Pantry.

We hope to see you and your families!

November 17 we will have a Feast of Friends. You're invited to bring 20 small portions of a favorite food to share.
