

## What a Week! March 8 Edition

A look back... Ahoy Mateys! Pirate Week is always so much fun! The highlight of the week was a hunt for treasure all around the building which culminated in fruit snacks in a treasure chest.

### A look ahead....

We close out March with two weeks focusing on books from many cultures and genre. We will read from authors of color, fairy tales, classics and more. STEAM lessons will tie in to literature. So will our crafts.

Wednesday we'll celebrate Dr. Suess with Green Eggs & Ham for snack!
