

**What a Week!**  
**January 9, 2025**

**Theme: Snow!**

### **Weekly Recap**

Of course the warmest week of the winter fell when we were studying snow! But we're not complaining because playing outside was grand. We learned that snowflakes have six sides and are unique just like we are. We learned how people and animals can use snow to make a cozy home. On Friday we started growing crystal snowflakes in science. Those will come home early next week.

### **A Look Ahead...**

Aye me matey! Next week is all about Pirates! We'll have a hunt for treasure and so much more with this fun theme. Guests will be librarians Miss Fran and Miss Kathi.

The following Monday, January 19 is Martin Luther King Jr. Day and we do not have school. Mark your calendar!

### **2026-27 Registration**

If you're planning to return to RPC Preschool we are holding your spot through 1/19. Spots open to the public on 1/20.

All you need to do to register is complete the form and provide a \$100 registration fee. The form is on the website or let a staff member know and we'll give you a hard copy.
