

What a Week! October 3, 2025

Theme: My Five Senses

Weekly Recap

This week brought special guests Nurse Mary to teach about germs, proper sneezing and coughing, and how to wash our hands. and Ms. Kathi for story time.

The Seniorita Mariposa artwork in the circle room is nothing short of spectacular! Their brains also grew three sizes during STEAM when learning about lines, shapes, primary colors, Piet Mondrian and Boogie Woogie music/dance!

A Look Ahead...

Next week's theme is Sea Life, especially focusing on our adopted animal from the zoo. On Monday we'll celebrate national cinnamon roll day during snack time. Thursday is a walk to the library. We cap off the week with the zoo field trip on Friday!
