

What a Week! September 11, 2026

Next week's theme is Superheroes! Not only the fictional ones, but also the superheroes in our lives. We have several visiting guests coming who fall in that category: Miss Fran and Miss Kathi who are children's Librarians, Miss Pickett whose non-profit is working to teach inclusion, and Ms. Kristin (Mimlitz, a legendary retired teacher from Ames) who leads children's yoga classes.

Save the Date for Ladies' Night!
Thursday, September 24 at 6:00 pm
Preschoolers and their mom or other female adult will enjoy an hour of play, craft, and special songs.

Birthday Celebrations!

We love celebrating birthdays! This week Everett turned 5, Olivia turned 4 and Miss Lupe turned _____. We sang in English and Spanish and students received a little goodie bag from their teachers. If you want to bring in a treat for your child's birthday, please either have something non-edible or individually packaged popcorn (Pirate's Booty works well) or pretzels to keep our allergic friends safe. Thanks!

Flu and Cold Season is already rearing its ugly head! A reminder that the best defense is a good offense: frequent and thorough handwashing. If your child is sick, please keep them home until 24 hours fever free/no vomiting without medication to further help lessen the spread. Thanks!
