

What a Week!

September 26, 2025

Theme: Apples and Fall

Weekly Recap

This week brought special guests Miss Fran and Ms. Kathi, both who shared special storytime with us. We love sharing books with the kids! They are read to a minimum of twice each day.

Fun fall artwork was created that hangs above the cubbies and is featured on Artsonia. Artsonia products make really nice grandparent gifts so we are working to upload as much art in your gallery as possible. You can also upload your own art from home too! A percentage of sales comes back to the preschool in the form of Amazon gift cards which we use to purchase more books.

We also LOVED National Pancake Day and Mom's Night!

A Look Ahead...

Next week's theme is Our Five Senses. Nurse Mary will be a special guest and will give tips to keep us healthy. The best tips are to sneeze or cough into your elbow and to wash your hands, wash your hands, wash your hands!

Thank you so much for working with your child(ren) on their page in our special book!

Zoo Field Trip

October 10 @ 10:00 am

Each year we have a family field trip to the zoo - all are welcome - to meet the animal we've adopted for the year. After our time at the zoo enjoy the long weekend! (No school Monday for Columbus Day or Tuesday for a teacher institute day).

As we get closer you'll receive your zoo kit including t-shirt and special gift. **Right now we need to know who has guest tickets to share and who needs tickets. Please let Lynda know!**
